SUBJECT: U.S. Price List 63

Enclosed is my new price list for early and modern U.S. Sheets. Most are VF or better. List 63 is another great list. I have many VF early sheets such as 548, 617-18 and C10. I also have a rare double error of scott 467 in a sheet of 463. Also, I bought some collections, attended several auctions and added everything to my stock. We now have over 19,252 items for sale. Hopefully we can fill some of your empty spaces.

The next list (#64) will also add many more very early sheets. Some examples would be 511, 658 and 659. Also, I have some Morgan Silver Dollars to sell at the local show I attend. I may also add a list of these to my price list 64.

I am now able to provide complete coverage from 1920 to 2009 in top quality US mint sheets which include many new and more recent sheets.

List 62 was well received and sales are improving. With the slowdown in the economy I am now working part-time doing commercial insurance in Philadelphia. I'm planning to give my customers the same great service and selection (19,252 sheets in stock) as I have done in the past. During the PM I can be reached at (215) 339-1000. In the AM and EVE I will be at my home number of (215) 576-5007. I also am going to several local shows and will have a table to sell sheets.

At the present time, all my sheets are stored and shipped in clear acid-free holders. Because not all sheet album pages are acid-free, the sheet should be place in albums in the holders I send you. Please order early for best selection and for best results, give me a call when you get this list. Please list alternate choices. Also, I would like to say that I can provide most sheets from 1920s-2009. This would include 704-15, 803-33 as well as the national park sheets and 1030-1052. I would be happy to provide quotes for any sheets not on my current list.

Gabby and I produced this list using her laptop computer. This time we actually did not have to recount the sheets to get an accurate inventory. Now is a good time to mention that we are not responsible for typing mistakes. If we overcharge for a sheet we would never keep the incorrect markup. But we are not obligated to sell a \$500. sheet for \$1., if we make a mistake the other way.

Please see the list below for available discounts which I have increased to make my prices more competitive. For the net priced items I will try to offer half the listed discount. Shipping and handling is \$3 for orders up to \$100 and \$5.00 for order over \$100. Large order may cost slightly more. Pennsylvania residents will need to add 6% sales tax. Call (215) 576-5007 with any questions. We also buy sheets. We now accept all credit cards. Please include your day and evening phone number when ordering. Thanks for your continued support. Happy hunting!

Spend \$200 – Get a 5% Discount
Spend \$500 – Get a 8% Discount
Spend \$750 – Get a 10% Discount
Spend \$1,000 – Get a 14% Discount
Spend \$1,500 – Get a 16% Discount
Spend \$2,500 – Get a 18% Discount
Most Net Priced Sheets will get ½ the listed Discount

We buy U.S. sheets.

Order page covers for all your sheets. They are perfectly cut for most sheets. The size is 9 1/2in x 11in. The price is \$17.00 per hundred and Shipping & Handling is \$5.00 per order. Other sizes are available. These covers are open on 2 sides. So order yours now.

Since I have so many sheets I am going to offer 10 to 50 different 3 cent, 4 cent and 5 cent commemorative sheets. You could order up to 50 for each value and the price would be \$4.25 each. The selection would be my choice. Sheets of 100 would count as 2 sheets and sheets of 70 would count as 1 1/2 sheets. The \$4.25 price is net but you could actually order 50 different of each value and build your collection or stock for resale quickly. I checked my Brookman '09 catalogue and the cheapest price for any sheets in this era is \$11.00, and many are much more. So the \$4.25 price should be a good deal. Also, all my sheets are in clear acid free holders. Order some today. Best Wishes and Happy Hunting,

Don, Gabby & Courtney
